

The College is proud to conduct Certificate and Diploma courses in two foreign languages - German and French on a self-sustaining basis since 1990s. The College has produced students who are well equipped to deal with a globalized world, where language is no longer a barrier. The classes are by conducted by language experts and professionals who come from the Department of Foreign languages in the morning between 7.30 am and 9.30 am. This allows the students to pursue other courses during the day, maximizing their use of time and college resources.
