Development Management Institute

Date: Dec.03, 2019

Respected Sir / Madam,

Greetings from Development Management Institute (DMI)!

Development Management Institute (DMI) was established on February 13, 2014, as an autonomous institution by Govt. of Bihar. The rationale of DMI is best captured in its mission "To empower and usher in participatory governance and management of institutions, enterprises and resources for enhancing livelihoods and generating sustainable development".

You may be aware that the pioneering activity of DMI is its AICTE-approved two-year full-time **Post-Graduate Programme in Development Management (PDM)**, which aims at preparing its graduates to achieve personal growth and transformation into Development Management Professionals. The DMI has been achieving 100% placements in all the batches since inception. There are 46 participants in Fifth batch and 53 participants in the Sixth batch, against the approved intake of 60 in a batch as per AICTE.

We are pleased to update you that DMI has initiated the process of admissions to the Seventh batch of PDM (2020-22) from November 05, 2019. The last date to apply online is March 31, 2020. The application has to be submitted in the online mode through our website www.dmi.ac.in, only.

In this context, we are enclosing copies of our Admissions posters, Admissions leaflets containing information about the institute, its activities and the PDM Programme for your kind consideration. We request you to display the posters on the notice board or other prominent locations on your campus. This will facilitate the interested candidates in seizing the opportunity to pursue their post-graduate education at DMI and thus transform themselves into competent Development Management Professionals.

We request you to encourage the aspirants to visit our website and the transit campus at second floor in Udyog Bhawan, East Gandhi Maidan, Patna. We would be honoured to hear from you.

Thanking You!

Yours sincerely,

Amrita Dhiman
