ABOUT US

The mission of Symbiosis International University is to inculcate the spirit of 'Vasudhaiva Kutumbakam' (the world is one family). The university has been in the business of management education since 1978. Having successfully launched the flagship Symbiosis Institute of Business Management in the said year, Symbiosis International (Deemed University) (SIU) today has several top-notch B-Schools like SCMHRD, SIIB, SIMS, etc. as its constituents. Having promoted Post-Graduate management education successfully SIU launched the BBA Program at Pune through the Symbiosis Centre for Management Studies (Under-Graduate). Looking at the enthusiastic response from students as well as the corporate community and looking at the long-standing demand of students from central and north India, Symbiosis Centre for Management Studies, NOIDA was formally launched in NOIDA in 2010. Symbiosis Centre for Management Studies, NOIDA, an off-campus institute of Symbiosis International (Deemed University), Pune began its operations in December 2010. Based in the National Capital Region, it facilitates in imparting quality management education at the undergraduate level for the convenience of students of North India

ABOUT THE EVENT

SCMS Noida has undertaken a noble initiative of recognizing and felicitating teachers of schools, faculty members of colleges/universities and educational leaders of schools/colleges for their respective innovations in making learning effective and enjoyable for the students.

Through this platform, SCMS Noida aspires to honor teachers, faculty members and educational leaders for the difference they are making in the lives of their students through the use of innovative practices for effective learning.

The main objectives of the event are to award teachers, faculty members and educational leaders having new and best ideas of teaching, and to encourage them to use innovative ideas and practices for improvement in their existing way of teaching. Innovation is defined as the use of new strategies, techniques, practices, products and services that makes the learning easy. Innovation, mainly, in teaching, implies new ways of teaching - use of videos or audios, PowerPoint presentations, Quiz, etc.
