Respected Sir/Ma'am,

We, students and alumni of IIT Delhi and the University of Pennsylvania, are working for **Programme for Internation Student Assessment (PISA)** under the guidance of **CBSE and MHRD**. PISA is an assessment program for 15-year-old students and focusses on various competencies and practical skills. PISA is believed to be a very important assessment across the world. Our country will be participating in the next edition of this program which is to be held in 2021.

Sir/Ma'am, we are striving to bring a positive impact on school education in our country by making quality content accessible to all.

We would like you to float this volunteering opportunity for your college students.

<https://forms.gle/yqoTPiZFgRQzka879>

Benefits for students:

- Certificate, LOR*
- Goodies for top 5 Volunteers PAN India
- Mentorship and Support by IIT Delhi Alumni

Application Link:
